Dear Chandler Park Academy Parents,

Now that School is back in session, I wanted to take this opportunity to remind everyone of the importance of ensuring the safety of the children of this community. The members of the Harper Woods Police Department are committed to doing our part, but we need your help. Please set a good example for your children by following the rules around the schools that were implemented with the sole purpose of keeping your kids safe. Encourage your children to follow the directions provided by the crossing guards. Lets all team up to make this a safe and enjoyable school year.

The following are the **hazards** identified around your school:

- Dropping off and picking up their child(ren) in the middle of Kelly Rd
- Parking along the curb lane of traffic on Kelly Rd
- Blocking crosswalks into the parking lots
- Blocking entrance into the parking lots

As you can see, these are minor problems that can easily be fixed. The safety of your children far outweighs any minor inconveniences that these rules may cause. **We will be making an aggressive enforcement effort to ensure compliance.** Your assistance and cooperation will be greatly appreciated.

Sincerely,

John Vorgitch  
Deputy Chief
