

Meet Up and Eat Up -- Summer Meals for Kids -- Map Locator

The Michigan departments of Education (MDE); Health & Human Services (DHHS); and Agriculture & Rural Development (MDARD) – along with their local partners – announce the availability of the Summer Food Service Program (SFSP) for children across the state.

MDE provides the SFSP Site Locator Map, which allows families to identify the nearest *Meet Up and Eat Up*[™] site, including information about locations, meal types, times, and driving directions.

The map can be found at www.michigan.gov/meetupeatup
