Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Chandler Park Academy Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Marian Flaggs, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site [www.chandlerparkacademy.net](http://www.chandlerparkacademy.net), or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a school that has not been given one of the labels referenced above. For 2015-2016, Chandler Park Academy Elementary (K-5) M-Step scores were below the overall state averages. In order to achieve academic growth, we have analyzed our test data to determine which students need additional academic support; revised our curriculum and delivery of instruction. We will always, continue to provide intervention support to address our lowest achieving students so that we can close the learning gap. A few key initiatives that we are undertaking to accelerate student achievement are the adoption of Reading Street Reading Series, the AmeriCorps-Reading Corps, the establishment of Early Literacy Taskforce (# Ready @3), implementation of Universal Screening-Dibels, Reading and Mathematics Intervention Specialists, and usage of equivalent practice. We appreciate the continued support of students, parents, staff and our community in this effort.

State law requires that we also report additional information
